

## **Bebop Blues**

Music: Dick Waibel

Lyrics: Jim Kline

### **Verse 1:**

Woke this morning before light, I was tired from last night,  
Head stuffed up, I have a cold, Man, this crud is getting old,  
That's why I started, Singing these Bebop Blues.

### **Verse 2:**

On the freeway movin' slow, I was mad and feelin' low,  
Got to work my boss was rude, Now I have an attitude,  
That's why I started, Singing these Bebop Blues.

### **Musical Interlude:**

### **Verse 3:**

Home from work, I have no food, Put me in a bad, bad mood,  
In the store the lines were long, Boy this day is going wrong,  
That's why I started, Singing these Bebop Blues.

### **Verse 4:**

Then TV the cable's out, Makes me want to scream and shout,  
Dim the lights and go to bed, Feel that throbbing in my head,  
That's why I started, Singing these Bebop Blues.

### **Tag:**

Maybe I can stop, Singing these Bebop Blues.
