Bless The Broken Road

Boyd, Bobby C., Hannah, Jeff, Hummon, Marcus
Recorded by Rascal Flatts

Opener: (Circle Left)

I set out on a narrow way,
Many years ago,
Left Allemande, then Dosado,
Men Star Left one time,
Turn your Partner Right, your corner Allemande,
Swing your girl, Promenade the land,
I could see how every sign,
Pointed straight to you.

Figure:

Four Ladies Chain, turn that girl,
1 & 3 Pass Thru, Cloverleaf,
2 & 4 do a Right & Left Thru, Full Turn to the outside two,
Touch a Quarter,
Scoot Back and then, Scoot Back again,
Swing your corner, Promenade my friend,
On my way into your loving arms,
This much I know is true.

Break/Closer: (Sides Face Grand Square)

Every long lost dream,
Led me to where you are,
Others who broke my heart,
They were like northern stars,
Four Ladies Chain across the ring,
You Chain then Home and Promenade,
That god blessed the broken road,
That led straight to you.
