## Leaning On The Everlasting Arms

Elisha Hoffman & Anthony J. Showalter (1887)

### Opener/Break/Closer: (Circle Left)

\*What a fellowship, what a joy divine,  
Leaning on the everlasting arms;  
Men Star by the Right inside, one time around tonight,  
Find the corner lady, Allemande Left and Weave the Ring,  
Leaning, leaning,  
Swing your girl and Promenade the ring,  
Leaning, leaning,  
Leaning on the everlasting arms.

### Alternate Lyrics:

\*What have I to dread, what have I to fear,  
  
\*Oh, how sweet to walk, in the Pilgrim's way,

### Figure:

Heads Square Thru and go, in the middle of the ring around you go,  
Find the corner lady do a Dosado,  
Swing Thru tonight, Boy Run to the Right,  
You'll Bend the Line and a Right & Left Thru and turn the girl for me,  
Flutter Wheel straight, Slide Thru,  
Swing that corner girl and Promenade,  
Leaning, leaning,  
Leaning on the everlasting arms.
