## Knee Deep

Recorded by: Zac Brown Band; Featuring Jimmy Buffett

**Opener/Break/Closer:** (Sides Face Grand Square)

Knee deep in the water somewhere  
Got the blue sky - breeze blowing wind through my hair  
Only worry in the world - is the tide gonna reach my chair  
(Allemande Left and Weave the Ring)  
Sunrise - there's a fire in the sky  
You're gonna swing your girl - Promenade I cry  
(Never been so happy, never felt so high.)  
And I think I might have found me my own kind of paradise.

**Figure:**

Heads you Promenade halfway around  
Down the middle - Square Thru count four  
All the way then Square Thru 3 count me three  
(Trade By)  
Touch a Quarter – Scoot Back then  
Swing your corner – Promenade my friend  
Now I'm lost in the world,  
Try'n to find me a better way.

**Tag:** (Allemande and Swing)

When you lose yourself  
You find the key to paradise.
