Rhythm of the Night

Debarge

Opener/Break/Closer: (Circle Left)

To the beat of the rhythm of the night - dance until the morning light
Forget about the worries on your mind - you can leave them all behind
The Men Star Right and go one time – pass your Partner - look for the corner
Allemande Left and Weave
To the beat of the rhythm of the night - dance until the morning light
Swing your partner round and round - Promenade go walkin' down
To the beat of the rhythm of the night,
Oh, the rhythm of the night - oh yeah

Figure:

Heads couples Promenade – get about Halfway down
Down the Middle Square Thru – get me four hands 'round
All the way around – do a Right & Left Thru
Pass Thru – Trade By – Touch $\frac{1}{4}$ too
Scoot Back and then you're gonna Scoot Back again
Swing your corner – Promenade
Just come with me and we can shake your blues away
You'll be doing fine when the music starts
