## Everything I Shouldn't Be Thinking About

Thompson Square

### **Opener/Break/Closer:** (Sides Face Grand Square)

My motorcycle needs an oil change  
Fence needs mending, house needs paint  
I got a million things that need to be done but  
Baby I can only focus on one  
Four Girls Promenade inside that ring – you're gonna  
Swing your partner round – Promenade I sing  
You're playing with my mind, baby ain't no doubt  
I'm thinking about everything I shouldn't be thinking about

### **Figure:**

Head couples Promenade go halfway 'round  
Walk in and Square Thru count me four hands now  
Go all the way then you Touch a Quarter here  
Scoot Back and let the Boys Run Right  
Star Thru – Pass Thru – then Trade By  
Swing your Corner Promenade I cry  
I got a million things that need to be done but  
Baby I can only focus on one

### **Break:** (Sides Face Grand Square)

8 Measures Guitar solo  
Four Girls Promenade inside that ring – you're gonna  
Swing your partner round – Promenade I sing  
You're playing with my mind, baby ain't no doubt  
I'm thinking about everything I shouldn't be thinking about

### **Tag:**

Yah, everything I shouldn't be thinking about

### **Closer Lyrics:**

Baby you've always had a one track mind  
So what you're saying ain't no surprise  
What may come as a shock to you  
Is that I'm having all those little thoughts too
