Hallelujah In My Heart

Carlene Carter (1993)

Opener/Break/Closer:

Four Girls Promenade go one time around
Get back home and Swing with your man
Join your hands Circle Left around
Left Allemande and Weave the ring
No more to roam, I've found my home
Now you Swing your girl - Promenade
I'm not alone, love walks with me
Hallelujah in my heart

Figure:

The Heads Promenade go Halfway
Down the middle do a Right & Left Thru
Flutterwheel across and Sweep 1/4 more
Pass Thru and then a Right & Left Thru
Swing Thru and then - Swing Thru again
Swing your corner - Promenade
But your love has found its way around
And grace has paved the way
