MM-302

Music By: Jim Kline

## Better Than I Did Then

Don S. Reid & Harold Wilson Reid  
Recorded by The Statler Brothers (1979)

### **Opener/Closer:** (Sides Face Grand Square)

When you're lying there in bed,  
Late at night and all alone.  
With nothing on but the radio,  
(Allemande Left & Weave)  
Listening to the midnight man,  
Swing and Promenade (taking telephone requests)  
Playing songs that you and I used to know.

### **Figure:**

Now the Heads Square Thru count 4,  
With the corner, you Dosado,  
Spin Chain Thru, Girls Circulate 2 times  
Box The Gnat, Pull her by  
Swing your corner, Promenade  
I'll even love you better than I did then

### **Break:**

(16 Measures Steel Guitar Solo)  
(Allemande Left & Weave)  
(Swing and Promenade)

### **Closer Lyrics:**

When you go for a walk,  
In the leaves when it's cold,  
Or lay when it's warm in the sun,  
With time on your hands,  
(And memories on your mind,)  
Or a long sleepless night has just begun.

### **Tag:**

I'll even love you better than I did then
