Jo Jo Burger

Tommy Black; Do It At The Beach, Track 9 (2014)

Opener: (Circle Left)

I had a dream, the other night,
Thought I was back on St. Bart.
The Men Star Right go one time tonight
Allemande Left the corner Weave that Ring
I was working real hard on a West Indies tan,
When my doctor prescribed for me.(Promenade)
And One all the way is what you need

Figure:

Heads(sides) Square Thru, 4 hands you go
Around the corner Lady Dosado
Swing Thru my friend, Let the Boys Run Right
Tag The Line, and Cloverleaf tonight
Girls Square Thru, 3 hands you do
Star Thru and Promenade home
When I go to St. Bart there's only one place I'll start
I'll have a Jo Jo, mam, if you please.

Break/Closer: (Sides Face Grand Square)

Give me a Jo .. Jo Burger
And a green .. hail Mickey, too. (Allemande Left & Weave)
I love the Jo .. Jo Burgers (Swing & Promenade)
When you're down in St. Bart's
You gotta stop by Jo Jo's, too.
