## The Teddy Bear Song

Written by: Donald L. Earl & Nick Nixon;

Recorded by Barbara Fairchild; A Sweeter Love (1972)

### Opener/Break/Closer:

All Four Ladies Chain across the ring  
Turn and Chain your lady right on home  
Join hands Circle Left around you go  
Allemande Left the corner, Weave the Ring  
I wish I was a teddy Bear  
Dosado and Promenade her  
I wish I was a Teddy Bear  
Not living or loving or going anywhere

### Figure:

Heads Promenade Half way  
Down the middle Right & Left thru I say  
Square Thru four hands around you know  
Dosado your corner once you go  
Slide Thru, Square Thru 3/4 round  
Swing the corner Promenade her  
I wish I was a teddy Bear  
Not living or loving or going anywhere
