Dooley

Opener/Closer: (Circle Left)

*Dooley was a good ole boy, lived down by the mill,
**Dooley had two daughters, and a forty-gallon still,
Allemande Left your corner, Turn your Partner Right,
Allemande Left your corner then you Weave the ring tonight,
Dooley slippin' up the holler, Dooley tryin' to make a dollar,
Swing your lady and you all Promenade,
Dooley slippin' up the holler, Dooley tryin' to make a dollar,
Dooley give me a swaller and I'll pay you back someday.

Additional Lyrics:

*I remember very well the day ole Dooley died,
**The women folk weren't sorry but the men stood round and cried,

Figure:

Heads two couples Lead to the Right and Circle To a Line,
Make your line and then walk Up to the middle & Back,
Right & Left Thru across from you and turn that girl around,
Flutter Wheel across that square and Sweep One Quarter more,
Square Thru Three hands now, look for the corner gal,
Swing your lady and you all Promenade,
Dooley slippin' up the holler, Dooley tryin' to make a dollar,
Dooley give me a swaller and I'll pay you back someday.

Break:

Four Ladies Promenade go once inside that ring,
Get back home and Swing your man now everybody Swing,
Join up hands and Circle to the Left move 'round my friend,
Allemande Left that corner then you do the Right & Left Grand,
Dooley slippin' up the holler, Dooley tryin' to make a dollar,
Swing your lady and you all Promenade,
Dooley slippin' up the holler, Dooley tryin' to make a dollar,
Dooley give me a swaller and I'll pay you back someday.
