### **Additional Lyrics:**

They sat on the stony ground, And he took a cigarette out  
And everyone else came down to listen, It was the winter nineteen sixty-three  
*(It felt like the world would freeze)*, With John F. Kennedy  
And the Beatles

The evening had turned to rain, Watched the water roll down the drain  
As we followed him down - to the station, And though he would never wave goodbye  
*(You could see it written in his eyes)*, As the train rolled out of sight  
Bye bye
