She's Got What Gets Me

Derik Schumacher (2005)

Opener/Break/Closer:

Four Ladies Chain - go across that ring,
You Chain 'em home and turn the girls I sing,
You join up hands Circle Left – get moving 'round that set,
Allemande Left the corner – then Weave the ring,
Oh and she's so fine – she's one of them one-of-a kind,
Swing your girl and Promenade her too,
She's got this thing a little twang – in her voice when she says my name,
That cuts right through to me – that's what she do to me.

Figure:

Head couples Promenade – travel halfway round,
Lead to the Right – Dosado you make an ocean wave,
And then you Swing Thru - the Boys Run Right,
Bend the Line and a Right & Left Thru and turn tonight,
You Star Thru and Slide Thru and Star Thru,
Pass Thru - Swing the corner Promenade her, too,
She's so pretty and I'm all in love,
She's got what gets me.

Tag:

Thought I was in love – now I know for sure,
Bow to the partner - and bow to the corner, too.
