Even Cowboys Like A Little Bit of Rock and Roll

Opener/Break/Closer: (Circle Left)

Even cowboys like a little bit of rock and roll,
The men Star Right one time you go,
Allemande Left and Weave,
There's a little bit of Buddy Holly, (Chuck Berry, Charlie Daniels)
Swing and Promenade, (or In every cowboy that I know)
And even cowboys like a little bit of rock and roll.

Figure:

Heads Promenade 1/2 round you go,
Lead Right and make a Wave you know,
Swing Thru and the Boys you Run Right,
Tag The Line and the Cloverleaf around tonight,
Girls Swing Thru and Cast Off 3/4 round,
Boys Courtesy Turn Her and you Promenade on down,
But even cowboys like a little bit of rock and roll.

Tag:

And even cowboy's like a little bit of rock and roll.
