Music By: Jim Kline

Meet In The Middle

Recorded by Diamond Rio

Note: all sections are 17 measures in length.

Opener: (Sides Face Grand Square)

It was seven hundred fence posts from your place to ours
Neither one of us was old enough to drive a car
Sometimes it was rainin', sometimes it would shine
We wore out that gravel road Allemande Left and Weave
I'd start walkin' your way, you'd start walkin' mine
Swing your girl and Promenade 'neath that old Georgia pine
We'd gain a lot of ground, 'cause we'd both give a little
There ain't no road too long when we meet in the middle

Figure:

Head 2 Couples Lead to the Right - Veer to the Left in time
Couples Circulate then you Chain Down the Line
Turn the girl and Pass Thru then you Wheel & Deal
Centers Pass Thru and do a Right & Left Thru
Square Thru and go – be sure to count three
Swing your Corner girl - Promenade for me,
We'd gain a lot of ground, 'cause we'd both give a little
There ain't no road too long when we meet in the middle

Break: (Sides Face Grand Square)

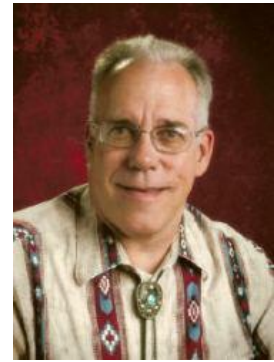

8 measures Steel Guitar solo (Allemande Left and Weave)
I'd start walkin' your way, you'd start walkin' mine
Swing your girl and Promenade 'neath that old Georgia pine
We'd gain a lot of ground, 'cause we'd both give a little
There ain't no road too long when we meet in the middle

Closer: (Sides Face Grand Square)

It's been seven years tomorrow since we said our vows
Under that old pine tree you ought to see it now
Standing in the backyard reminding me and you
That if we don't see eye to eye - Allemande Left and Weave
I'd start walkin' your way, you'd start walkin' mine
Swing your girl and Promenade 'neath that old Georgia pine
We'd gain a lot of ground, 'cause we'd both give a little
There ain't no road too long when we meet in the middle
