Why Did You Choose Me

Words and music by Jim Kline

Opener/Break/Closer: (Sides Face Grand Square)

I don't know what you see in me,
All my faults plain as can be,
None of these you seem to see
Why did you choose me?
Four Ladies Chain across that ring
Chain them home - Promenade I sing
I'm as blessed as I can be
Why did you choose me?

Figure:

Head couples Square Thru go four hands 'round
Find the corner do a Dosado
Swing Thru and then you Spin the Top
Boys move do a Right & Left Thru
Flutter Wheel and Sweep a Quarter more,
Swing your corner Promenade that floor
I'm as blessed as I can be
Why did you choose me?

Tag:

(Allemande & Swing) Why did you choose me?

Alternate Lyrics:

Every day I gaze at you,
And wonder just how you knew,
That we would make a perfect two,
You are a dream come true

Why do all the days go by so fast?
My love for you will always last
I'm as blessed as I can be
Why did you choose me?
