You Might Think

The Cars (1984)

Opener/Break/Closer: (Circle Left)

You might think I'm crazy
To hang around with you
Men Star Right go one time
Left Allemande and Weave the Ring
But I think that you're wild
Swing and you Promenade
You might think I'm crazy
But all I want is you

Figure:

Heads Promenade go Halfway
Walk in and Square Thru Four
All the way then Swing Thru
Boys Run Right – Ferris Wheel
Centers Star Thru – Pass the Ocean
Boys Extend – Swing your Corner - Promenade
You might think I'm crazy
But all I want is you

Tag: (Allemande Left and Swing)

Additional Lyrics:

You might think it's hysterical
But I know when you're weak
But I think that you're wild
When you flash that fragile smile

Oh well uh you might think I'm delirious
The way I run you down
Oh I think that you're wild
And so uniquely styled
