Walk Like A Man

Written by Bob Crewe and Bob Gaudio
Recorded by the Four Seasons (1963)

Opener/Break/Closer: (Circle Left)

Ooh (*Walk, Walk, Walk, Walk*)

Ooh (*Walk like a man*) (Allemande Left and Weave)

Walk like a man, talk like a man

Swing your girl, Promenade her back home

No woman's worth crawlin' on the earth

So walk like a man, my son.

Figure:

Heads Promenade, Halfway 'round that ring

Down the middle Square Thru count four

All the way around, Touch 1/4 here

Scoot Back then the Boys Run Right and now you

Star Thru, Pass Thru then Trade By

Swing your corner, Promenade her back home

I'll tell the world, "Forget about it, girl."

And walk like a man from you
