I have found a friend who walks with me
Down life's unending road
His amazing grace has set me free
And it satisfies my soul (Allemande and Weave)
His grace, his grace, his amazing grace
Swing your own and Promenade
His grace, his grace his amazing grace
Has made, has made me whole

Figure:

Now the Heads Square Thru and you count me four
Find the corner you Dosado,
Then you Swing Thru tonight let the Boys Run Right,
Bend The Line and do a Right & Left Thru,
Pass The Ocean, the Boys Cross Fold,
You Swing, Promenade
His grace, his grace his amazing grace
Has made has made me whole

Save amazing grace how sweet the sound,
That satisfies my soul.

Additional Lyrics:

I can ne'er forget when he came to me,
In the dark night of my soul,
He picked me up so tenderly,
And carried me to his home.

If you know him too sing along with me,
Let the hallelujah's roll,
Amazing grace how sweet the sound,
That satisfies my soul.
